1. The *National Intelligence Coordinating Agency (NICA)* is conducting this bidding as part of the Agency's Early Procurement Activity (EPA) for FY 2022 to ensure the timely delivery of goods consistent with GPPB Resolution No. 14-2019 dated July 17, 2019 where the Agency as the procuring entity (PE) is encouraged to start procurement activity in the current fiscal year *short of award* for procurement projects scheduled for the succeeding fiscal year.

EPA shall refer to the conduct of procurement activities in the current fiscal year -- from posting of the procurement opportunity, if required, until recommendation of the Bids and Awards Committee (BAC) to the Head of Procuring Entity for the award of the contract for goods to be delivered in the following fiscal year (i.e. FY 2022), pending approval of their respective funding sources.

The bidders, therefore, are hereby informed of the following:

- a. Interested bidders are invited to submit their bid proposals based on the indicative budget for 2022 through this Invitation to Bid, together with the bidding documents;
 - b. The PE will evaluate the bid proposals and determine the winning bidder. The financial bid proposal of the winning bidder will be considered as the fixed contract price notwithstanding any changes that may occur in the succeeding year with respect to the market price of the goods to be procured. Moreover, the Notice of Award (NOA) will only be issued upon the approval of the budget; and
 - c. Should there be a delay in the award on account of any delay in the budget approval, the winning bidder may be requested to extend the bid validity as specified in the bidding documents. In case the bidder refuses to extend its bid validity, the bid submitted by the said bidder will be rejected.
